Hot SpotsAlbuquerque, NM (ABQ) Airport Diagram

HOT 1 - Taxiway E 1 and Runways 8 and 12 share a common hold line on this taxiway. Exercise extreme caution! Do not cross the Hold Line until instructed to do so by ATC. Check compass to ensure you are lined up on the correct runway.

HOT 2 - Taxiway G and Taxiway G 1 are located just north of the ramp area for Cutter Aviation. Use caution not to enter runway 12 and 30 without ATC approval! The use of runway 12 is commonly used to expedite General Aviation departures to the south and east when runway 8 and 3 are in use.

HOT 3 - This area has the convergence of three Taxiways and two Runways: Taxiway F, C, and G. Taxiway G extends across Runways 17/35 and 03/21. Be very alert to the Hold Short Lines and the Runway you are instructed to taxi to for departure. When in doubt, request additional taxi instructions from ATC!
